I-CAN STUDENT

"Time is money"

"The I-CAN Design Thinking Course helped me to think differently, creatively and provided me with a structure for problem solving of many community challenges."

Eugenia Oscarlene Jones, a married mother of three, is a remarkable individual who has overcome challenges to pursue her passions and make a positive impact. She completed her matriculation at Cravenby Combined School in 2011 and enrolled in an Early Childhood Development Course at North Link College, gaining insights into child development.

ACHIEVEMENTS

Matriculated
Administration Short Course

HOBBIES

Baking

INTERESTS

Business
Job Creation
Entrepreneurship

Eugenia's accomplishments include finishing her matric and an Administration Course, equipping her with valuable skills. With an entrepreneurial drive, she aspires to establish her own business and create employment opportunities. Eugenia believes that effective communication can bridge gaps and promote understanding in her community. Her passion for baking has fueled her desire to make a difference through culinary endeavors. Eugenia emphasizes the importance of time management in achieving personal and professional success. Her determination, dedication, and entrepreneurial spirit make her an inspiring individual to watch as she continues making strides in her life.

Her journey serves as an inspiration to those who seek to overcome challenges, pursue their passions, and create a positive impact. Her commitment to education, her entrepreneurial drive, and her belief in the power of effective communication and time management make her a remarkable individual worth watching as she continues to make strides in her personal and professional life.
