I-CAN STUDENT

"The I-CAN Design Thinking Course helped me to think differently, creatively and provided me with a structure for problem solving of many community challenges."

Athenkosi is a resilient individual who thrives as a single parent, residing in Mfuleni, Cape Town, along with his son. Having successfully imatriculated from Eketsang Secondary School in 2008, He pursued his passion for electrical engineering, completing his studies at a college level. In his spare time, he finds solace in playing football, fuelling his love for the sport.

Athenkosi's commitment and dedication to his craft have been acknowledged through his receipt of an Entrepreneur Award, further igniting his belief in his own potential to make a significant impact as an independent business owner. He firmly believes in the transformative power of self-belief, recognizing that those who possess unwavering faith in themselves are the ones who ultimately bring about meaningful change in the world.

His unwavering passion for his work drives him to prioritize activities that he truly loves, ensuring that he dedicates his time and energy to endeavours that resonate deeply within him, even without immediate financial reward.
